

Xpression

Create unique textured surfaces with machine felting.

The new Janome embellisher requires no threading or sewing, and simply meshes fabrics together using five specially barbed needles. The new Xpression pushes fibres together to create stunning surface embellishments that will enhance your crafting projects.

NO THREAD ...NO BOBBINNO LIMITS!

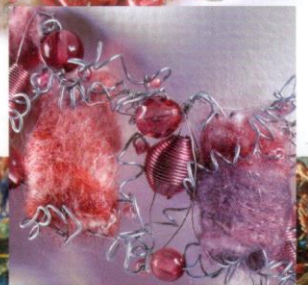

Create fantastic textures for bags, scarves, wall hangings & fabulous garment embellishments.

Janome's new Xpression model is available at your local stockist. Ask for a demonstration.
